2023 - VOL. 1

---

QUANDO IL DESIGN  
INCONTRA  
LA QUALITÀ NASCE  
IL **MADE IN ITALY**

**MADE IN ITALY**  
MEANS DESIGN  
INTERTWINED  
WITH QUALITY

---

**Portiamo lo stile nel mondo del pet rispettando i cani, le persone e l'ambiente.**

Disegniamo e creiamo ogni nostro prodotto in Italia perché per noi **made in Italy non è soltanto uno slogan, ma è una scelta.**

La qualità oggi non può prescindere dal rispetto per l'ambiente e per questo motivo, dal 2021, il nastro di raso **INTENSE™** di tutti i nostri prodotti è in **poliestere 100% riciclato e riciclabile ricavato da bottiglie in PET** che, oltre a essere **morbido e resistente**, è **lavabile in lavatrice a 40°**.

Collaboriamo con i migliori fornitori italiani per sviluppare costantemente **nuovi articoli** che siano **confortevoli, durevoli**, dal **design riconoscibile** e che soddisfino i desideri dei più esigenti.

Ogni accessorio **MORSO®** ha la **garanzia di 2 anni**.

**We bring style to the pet industry respecting dogs, people and the environment.**

We design and create all our products in Italy because to us **made in Italy is not a slogan, it is a choice.**

Quality cannot be separated from respect for the environment and for this reason, from 2021, the **INTENSE™** ribbon of all our products is made of **100% recycled and recyclable post-consumer polyester** which, in addition to being **soft and resistant**, it is **machine washable at 40°**.

We collaborate with the best Italian suppliers to constantly develop **new items** that are **comfortable, durable**, with a **recognizable design** and that satisfy the desires of the most demanding owners.

**2-year guarantee** for each **MORSO®** accessory.

## PLANOGRAMMI | PLANOGRAMS

MORSO® elabora schemi personalizzati che simulano l'esposizione degli articoli e delle fantasie acquistati dal rivenditore per facilitare la fase dell'allestimento e restituire un'immagine del marchio efficace.

In order to facilitate the setup phase and create an effective brand image, MORSO® develops customized schemes that reproduce the best display of the items and patterns purchased from the retailer.
